I'm sailing away, far, far, away Setting an open course for the virgin sea For I've got to be free, free is me, Free to face my life that's ahead for me

their biolitic but and time minimus my hortest with a special time of the surface of the surface

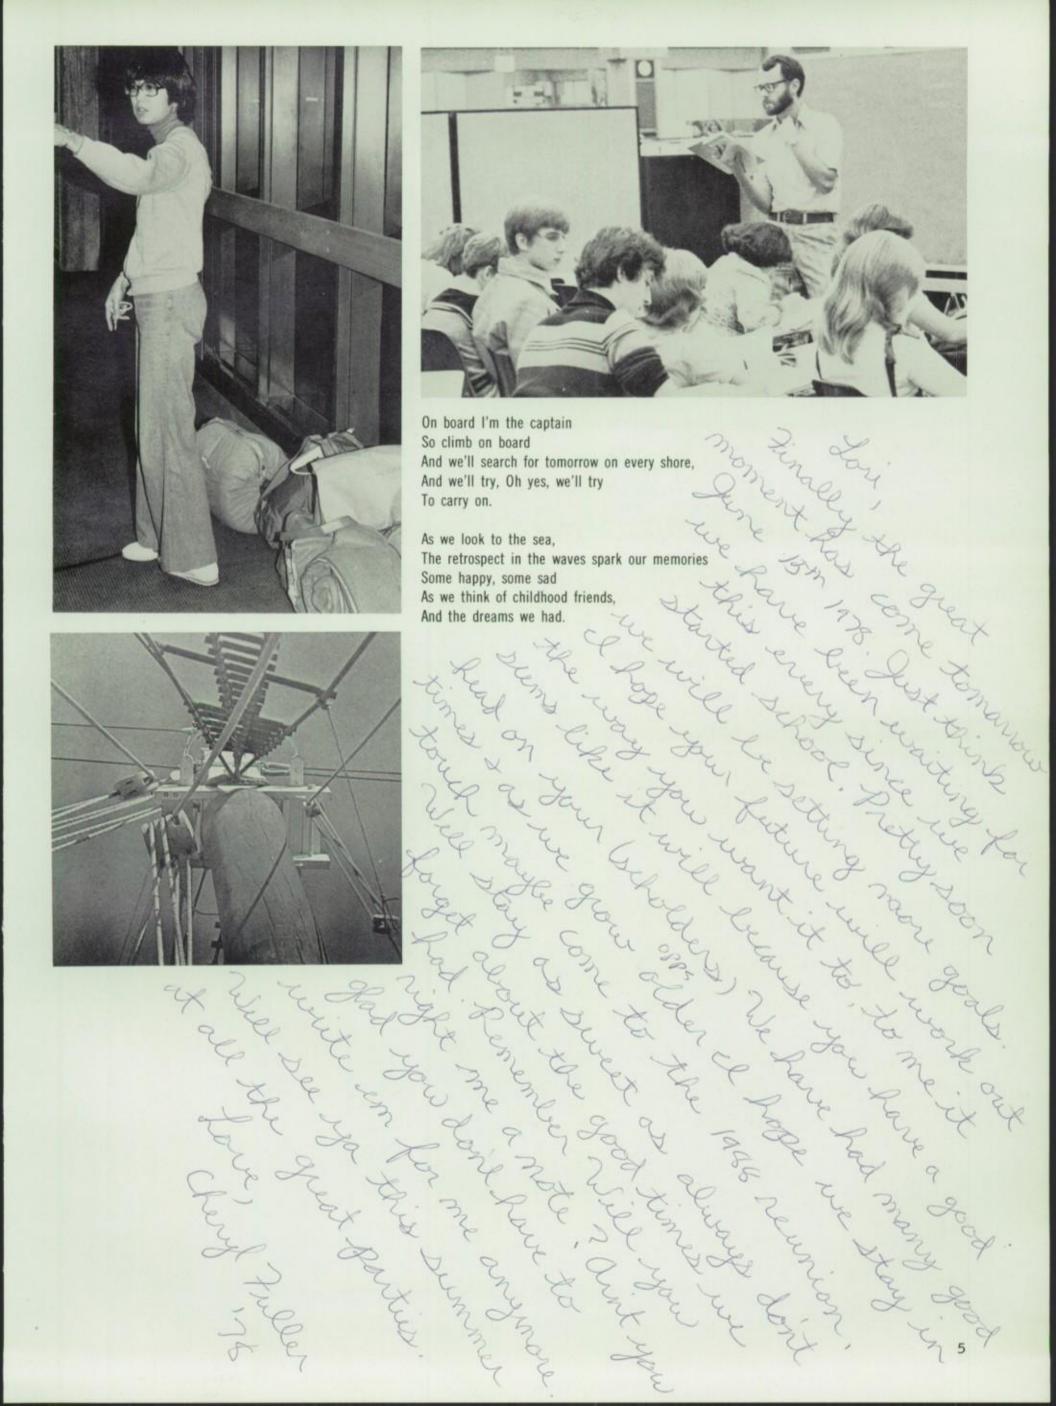

We'll live happily forever
As the story goes
And somehow we'll reach out
For that pot of gold
And we'll try the best that we can to carry on.

A gathering of spirits shone a bit above our heads And voiced to us this song of hope...

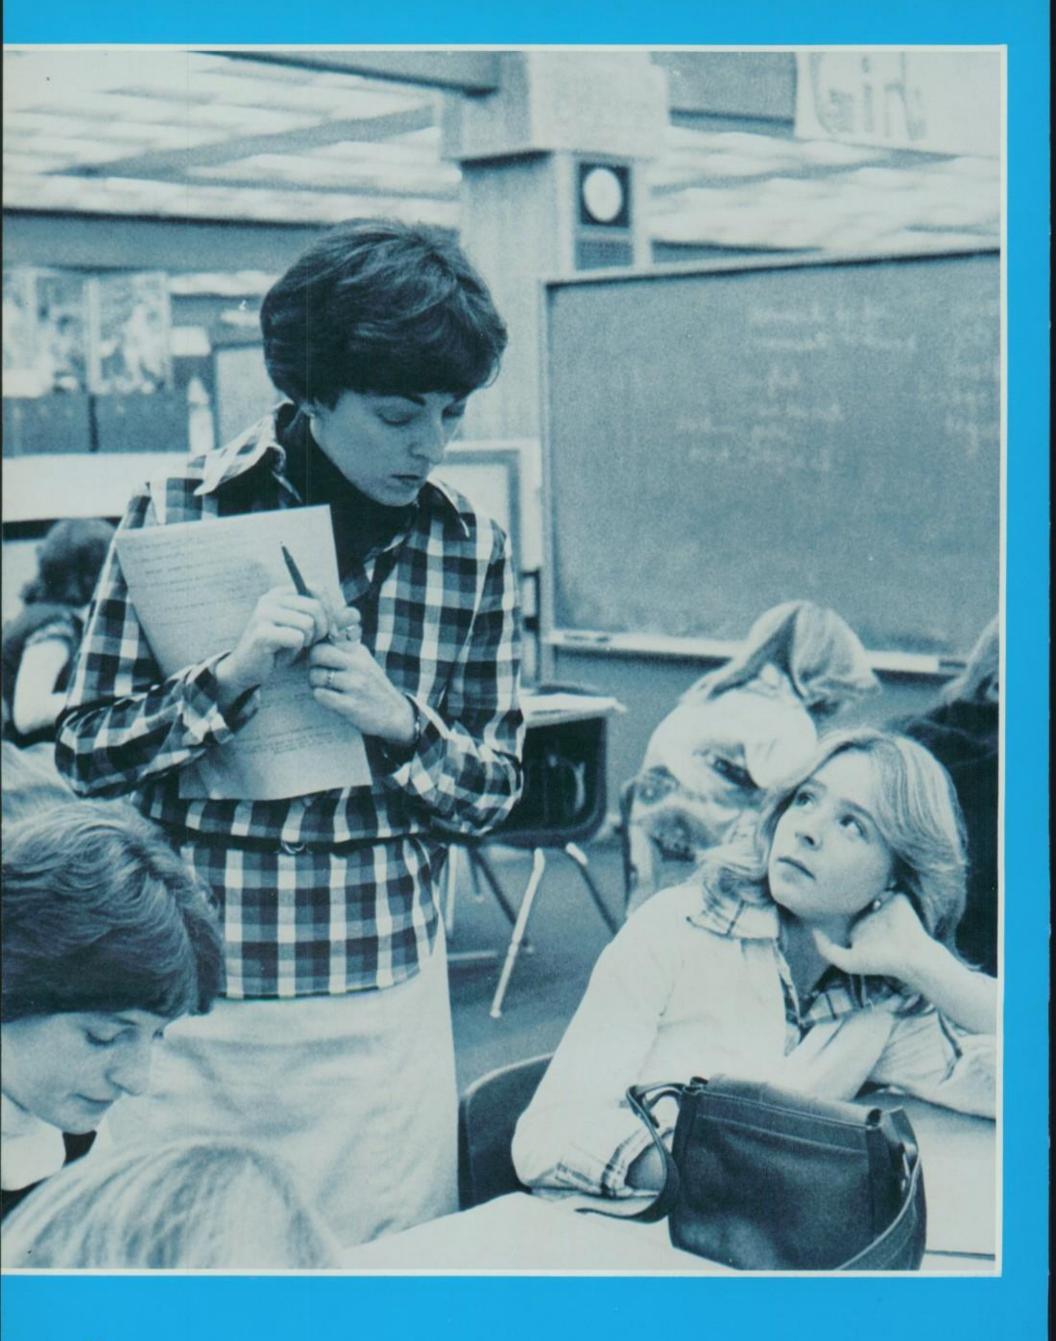

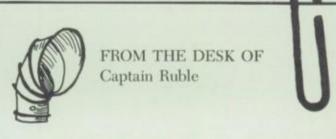

We thought that they were spirits But to our immense delight We climbed on board their seaship Now we're headed for the light.

Uncle Harry Tours Hyak

The German, Spanish, French, and American exchange students travel to Hyak every year. Supported by the Mardi-Fasch-Ca funds, and individual payments, the students spend two and one-half days at the ski lodge. They left with their baggage on Thursday morning, and arrived back on Saturday afternoon.

They embarked the morning with breakfast at 8:00 a.m., then set out with Foreign Language classes, free time, and a possible hike to the lake. After lunch classes and free time, is dinner. At the meals the students speak only the Foreign Language they are studying. The entire time they are at Hyak, there is no English spoken.

Evenings are moored with Folk Dances from Mexico, Germany, and France; the Vals and Raspa are favorites. Between folk dances, the students enjoy disco dancing, featuring the Hyak Hustle. During breaks they play relay games.

After living in a foreign lifestyle, students are reluctant to board the bus for their return to American homes.

Spanish Exchange Students

Elizabeth Gudiel Diana Nicolau Eduardo Noriega Marla Orozco Verónica Ruiz Liliana Sánchez

This year Juanita has had one of the finest group of exchange students ever gathered. With their eagerness to help and learn, joined with their abundant friendliness, they have greatly met the expectations of teachers Frau Clauson and Mrs. Price.

The exchange students feel that the exchange program is intensely valuable. It enables them to travel to another country, meet other people, and learn other customs. Their participation in the program has greatly broadened their, and our horizons.

School here at Juanita differs from the schools the exchange students come from. At their schools relationships between students and teachers aren't as casual, there isn't as large a selection of classes taught, and many times students can't choose their own courses. The schools that Liliana Sánchez and Elizabeth Gudiel come from have more students in their classes, sometimes as many as 40 to 50 members. And instead of the students moving from class to class; the entire class stays in one room for seven hours, and the teachers move from class to class. In Germany they often have the same system.

Some of the things they liked best about our school are the friendliness of the teachers, more freedom between the classes, and our large offer of programs. They enjoyed our school activities, the school spirit expressed by our students, the organization of our school, and our lunches.

Before the German exchange students leave after six months here, they take a three to four week trip throughout our country. During the trip they contact Frau Clauson every four days to tell her how they're doing. These trips to the Grand Canyon, Disneyland, and other places are organized for the students so they can have a first-hand account of our lifestyles. This helps contribute to a better understanding of human beings, and dissolves many mis-conceptions about U.S. customs.

Lexington Reports From Crow's Nest

Juanita's school newspaper, "The Lexington" was headed by an enthusiastic staff and advisor. Mr. Morrie Schneider guided the staff as they put together the Lexington. Publishing a newspaper every two weeks requires a great deal of effort, which was evident in the long hours the staff put in. On paste up days some members arrived as early as 7:00 a.m., and left as late as 6:30 p.m.

The staff was dominated by 14 seniors. It also included two sophomores and four juniors. Most of the students were new to journalism this year.

The staff operated on a rotating basis. For every issue, a differe it Page Editor was chosen to act as "Editor-in-chicr", this person was in charge of the whole operation. The Page Editors were Pam Millet and Debbie Wyckoff for news. Vicki Burmeister acted as Sports Editor, Harry Nelson was in charge of Arts and Entertainment, and Dennis Ahrens, Jeanine Gray, Teri Dodge, Melinda Beeman, and Diane Hatch rotated between Editorials and Feature. Pam Millet was in charge of pictures, acting as the Photo Coordinator. Vicki Burmeister worked in the position of Circulation Manager, Debbie Wyckoff acted as Publicity Manager. Dennis Ahrens was in charge of Advertising for the paper. Two students who were not on the staff, but contributed their original artwork were Mark Schaible and Tammy Hoerner.

The staff decided to charge \$.10 for the paper, with the ultimate goal being a "newsprint" paper, which requires capital backing.

From the up to date news stories, to the "Continuing Adventures of Bonzo," the newspaper staff showed a great deal of imagination, and produced a widely read paper.

Juanita Students Pass Inspection

Gone are the days of mandatory dress codes. Also absent is the extreme trend toward casual dress. Today one can look around at the people of Juanita and see many different styles ranging from the casual to the semi-formal. The air is one of individuality catering towards comfort and personal preference.

By far the most popular form of dress among men and women is the jean, or casual pant. However, one can't simply call them "Jeans", now it's the "Chika," "Hash," "Punk," or a myriad of other styles. To top these off the selection is endless, shirts, sweaters, and combinations of the two are worn by both sexes. One of the most popular sweaters for women is the "cowl-neck," in endless variety of material and color. For the men, shirts under denim or leather jackets are very popular as is a sweater tied around the neck.

Several types of women's suits seem to be most popular. A gauchos and vest combination, especially with boots is very common. Often a suit consisting of a tailored jacket and pleated skirt is seen. The colors tend to be dark shades, rust, grey, and black predominating.

As a casual "nice" dress the peasant look has caught on among women. Tiered skirts, soft romantic dresses, tunics over pants, and jeans tucked into boots are all part of this look . . .

... For more formal affairs the dress tends to be simple and elegant. For formal affairs tuxedos are worn by the men, while formal evening dress is worn by the women. The latitude is enormous and one sees anything from strapless slinky gowns, and old fashioned lace and muslin dresses to shimmering knit jumpsuits.

The dress of today reflects the attitudes of the present, simple, clean lines and comfort.

T.V. Crew Produces Talent

The T.V. Production class was formed to exercise creativity, and to make students appreciative of what they see on T.V. after seeing for themselves the extent of work involved in producing television shows.

Advisor Mr. Morrie Schneider, who offered his guidance to the students stated "the class went along well, because of the great deal of talent that the students possessed."

"The class gave the students an opportunity to display talent they wouldn't have been able to use otherwise." Hal Hilton, Brian Flajole. Jeff L'Heureux, and Tami Compton showed a great deal of talent, and on occasion, comic genius.

Stowaways Join Crew

Learning to understand and to work with children was part of a class this year at Juanita. In Nursery, students learned from first-hand experience how to cope with small children through observance and close contact.

With the help of Mrs. Wendy Gilbert and a room full of toys the 22 students supervised 17 children and in doing so learned to deal with the psychological aspects of raising children.

Although dominated by girls the staff included two boys. One member, Tami Brooks extolled on their merit, "The boys in the class have some really good ideas about raising kids."

Keeping the children occupied proved to be a rewarding experience, both in the understanding of kids the students gained and in the fun they had.

When asked whether she had gained anything from the class and whether after it she could still look a kid in the eye, one member responded with a heartfelt "yes."

The Distributive Education Clubs of America club sailed off to a great start this year with numerous activities. They started the year with the election of officers. When the votes were logged Dan Brooks was elected president, Del Newton, vice president; Lori Tessier, secretary; Mary Gemmill, treasurer; Kathy Gemmill, historian and Cindy Estrin, D.E.C.A. store manager.

For Halloween D.E.C.A. held a pumpkin carving contest. Albums were given to Steve Wick and Lisa Mangis, the best male and female carvers. At a staff meeting a cake was presented to the entire staff on behalf of the Art Department, the winners of the staff competition. The Annual Staff won \$15.00 for their skier which they put towards a pizza party. The overall winners were the teams of Lisa Mangis and Lisa Obaitek in the girls category, and Steve Wick and Jeff Keller in the male category. The contest raised the spirit of the "Great Pumpkin" at Juanita.

For the Thanksgiving-Christmas season, D.E.C.A. sponsored a canned food drive for the needy, with a prize for the class that contributed the most food. To set the holiday season afloat, D.E.C.A. held a Christmas carol sing for the elderly of the Kirkland area.

In the spring D.E.C.A. hosted the annual Employer-Employee banquet. This allowed a chance for the D.E.C.A. members and their employers to get together for a formal dinner.

During the year, some of the D.E.C.A. students attended the Governor's Conference in Olympia. From that conference Dan Brooks came back with the Area 1 vice presidency.

On January 30th the Area 1 Conference was held at Juanita. An estimated 600 students attended, with 22 of them from the J.H.S. D.E.C.A. club. In March, four students attended the State D.E.C.A. Career Development Conference in Seattle. Then in May, Dan Brooks went to the National D.E.C.A. Career Development Conference held in Washington D.C.

Mr. George Spear has been the advisor for the two years of the club's existence. He teaches the group leadership, how to provide community service and to be self supporting.

The D.E.C.A. club has shown these qualities in the student store. The store specialized in things that the students need most, such as notebooks, pencils and paper. The store also supplies items for the enjoyment of the students. These include frisbees, Rebel hats and a wide variety of snacks.

D.E.C.A. has shown itself to be an asset to both Juanita and the community, by encouraging participation and leadership through their activities.

Excerpts from the Log of the USS Juanita

Arrived at Shilshoe at 0800 hours. After putting into port we were shocked to learn that Elvis Presley was dead at the age of 42. Bought a newspaper and read on the sports page about Tom Seaver being traded from New York to the Cinncinati Reds. Before departure we went to the Led Zeppelin concert and bought tickets to Peter Frampton's. We also saw John Travolta in "Saturday Night Fever." The Nixon-Frost interviews ran on T.V. for three nights. In New York City a devastating blackout caused pandemonium as looters scoured the city. President Carter has proposed a new Welfare Plan to combat rising inflation. In Holland a terrorist group held hundreds of people hostage on a train. On the way back to the ship we stopped at the new Peaches Record and Tapes to buy the Electric Light Orchestra "Out of the Blue" album to listen to while at sea.

Passed through the Locks at 1000 Hours: Before entering port we met another ship that passed on the news of Dixie Lee Ray's return from the Far-East where she had been traveling attempting to promote better relations between the countries. The port was buzzing about the wonder horse "Seattle Slew" and his latest victory. Television got a new series while we were at sea "The Hardy Boys & Nancy Drew Mysteries. Debbie Boones' hit single the theme song from the movie "You Light Up My Life" has been number one on the charts for three weeks. Went to the "Emerson, Lake and Palmer concert last night, it was great and while we were there they announced that Neil Diamond would be coming to the Coliseum in January. Hollywood's greatest; Burt Reynolds and Clint Eastwood co-star in "Semi Tough." One new band that is really making a hit is Foreigner with "Cold as Ice." Flu hits U.S.

Docked at Lake Union at 1300 Hours. The Doobie Brothers and Kiss will be arriving soon. Since we were last in port a new television series "Love Boat" floated to success. "Three's Company" and "Soap" emerged as two great television shows. Shaun Cassidy followed in his brother David's footsteps and became a teenage idol with songs like "Hey Deanie" and "That's Rock-n-roll." Anita Bryant made public her views on the Gay Liberation movement and received a pie in the face for them. Guy Lombardo died; New Year's Eve won't be the same without him. After seeing "Close Encounters of the Third Kind" few will be skeptical about UFO's. After holding power for twelve years the Central African Republic's leader decided to crown himself as emperor. Sun Myung Moon lures America's children. The Seahawks finished their season and were voted the best expansion team of 1977.

Made the Ship Canal Passage at 1500 Hours: While still at sea we received a short-wave message recounting how the Sounders sank under the Cosmos attack in the "Soccerbowl '77" in Portland. America is mourning the death of Bing Crosby, while at home on leave we watched the New York Yankees sail away from the Los Angeles Dodgers in the World Series. Reggie Jackson hits three consecutive home runs in the final game for a score of Yankees 8-Dodgers 4. It's proposed for Spring that Reggie is honored by having a candy bar invented and named after him. "Oh God" starring John Denver and George Burns is a great success in Seattle. The Coal Strike continues despite heavy Government opposition. "Chips" and "James at Fifteen" arrived on schedule to join the NBC roster. Rod Stewart's latest album "Footloose and Fancyfree" is out on the charts.

E.T.A. Port of Kirkland 1900 Hours: After docking we bought a paper and looking at the entertainment page, decided on the "Turning Point" over "Which Way is Up". A terrible outbreak of kidnapping has occured in Switzerland. The Purple Aces Basketball team's plane crashes near Evansville, very few survived. New Crew Added To Honor Society

Under the leadership of Ms. Suzy McQuary Honor Society is going strong. A banquet was held in honor of the 40 new members before the induction last winter. Members are chosen by staff ratings in the categories of leadership and academic abilities. Members are then required to earn service points by tutoring at local elementary schools, attending the meetings, acting as officers, helping with registration, and similar service activities.

The officers for the second year of the society included Pam Perkins as president, Amy Dutton as vice president, Michelle Pakkala as secretary, Lisa Kennan as treasurer, and Jil Simpson in communications.

Two members have reached the status of semi-finalists (top ½ of 1%) in the 1978 merit scholar-ship competition. These are Jennifer Varey and Margaret Tremain who will take another test with other semi-finalists for scholarship recognition. Others were commended because they finished in the top two percentile. These include Chris Coady, Diane Hatch, Ilo Hunter, Susan Langley, Cheryl Musselman, Ted Parry, Jil Simpson, David Smith, and Kelli Tingwall.

As a group, honor society aims to bring together high scholastic achievers and give them recognition for their achievements.

Student Gov. Helps Steer Rudder

The Student Government, made up of three main branches was able to provide leadership to the students at Juanita High School. The branches included the Executive Committee, the Cabinets, and the Senate. The Executive Committee, led by President Erick Shirley and Vice President Brian Flajole encouraged involvement of all students and faculty.

The center of the Student Government was the class Cabinet. The Senior, Junior and Sophomore Cabinets are composed of concerned individuals who devoted some of their time each week to provide school leadership. These students directed and supported each class activity and encouraged members of each class to participate.

The Student Senate provided the opportunity for each student to voice their own suggestions in order to avoid problems within the school. Problems that have been attended to were the littering in the Student Center and the return of the comfortable chairs to it. On top of this they helped to promote and sponsor a Jog-a-Thon to benefit various school activities.

The Student Government proved to be a integral part of student life. Through activities and leadership they cultivated enthusiasm and pride at Juanita.

Musicmakers Provide Buoyancy

Under the dynamic direction of Mr. Tom Reich and Mr. Bruce Gutgessel the music department achieved an unprecedented amount of success.

The Concert Singers were involved in many money raising projects. To pay for their choir robes they held a raffle with the winner receiving a new Datsun B-210. After weeks of anticipation Mrs. Mona McCash the mother of student Amy Dutton, was the winner of the car. For the Christmas fundraising campaign the choir and band together sold 8 piece placemat and napkin settings. With spring came the sale of coupon books with discounts donated by many local stores.

Together the Band and Choir went on tour to Vancouver and Victoria performing at different spots along the way. It was an exciting experience for all who were involved.

The Concert Singers had 7 students picked to sing in the All-State Choir. They were Marvin Beresford, Tracy Boudrieau, Debbie Cory, Jack Day, Sue Langley, Wayne Paradis and Nancy Vegsund.

In addition to performing for the school, the Band and Choir participated in outside contests. They appeared at graduation ending the year on a musical note.

Rebel Spirit Dominates Homecoming

Spirits soared as Homecoming week 1977 got under way. Beginning on Monday, October 17 with "Grub Day," emotions ran high through the week as the classes competed in various events. Class days highlighted the week. Tuesday was "Sophomore Day," unfortunately, seemingly no one, not even the Sophomores knew what was supposed to be happening. On Wednesday the Juniors were more successful and "T-Shirt and Hat Day" enjoyed a moderate popularity. The peak of the class competition came with the third day, "Senior Pajama Day." The seniors turned out en-Masse, complete with fuzzy slippers and teddy bears and then proceeded to march around the school shouting senior yells.

Also on Thursday was the powderpuff football game. Diane Cloutier made the single touchdown of the game for the seniors, giving them a 6-0 victory over the juniors.

The activities climaxed on Friday, October 21 with the Homecoming assembly and game. The theme for Homecoming was "Once Upon a Time," and the class skits took advantage of the latitude. The sophomores put on a fantasy fashion show featuring designer originals like a "turtleneck dress." complete with turtles and a "daily edition print dress" out of a current newspaper. The juniors produced a set of three fairy tales, "Rebel style;" CindeReble, Little Red Riding Rebel and Snow Rebel. The senior skit consisted of three parts. The first was a re-enactment of "The Emperors New Clothes" featuring Craig Delles as the Emperor. The second part was a farce on "Jack and the Beanstalk." Last was a "beauty contest" featuring "young ladies" of questionable talent who joined together to sing "Yesterday."

The candidates for Royalty were presented to the students for a last review before judging.

That evening, Juanita students made their way to the Redmond High Stadium to watch the Homecoming game against Inglemoor.

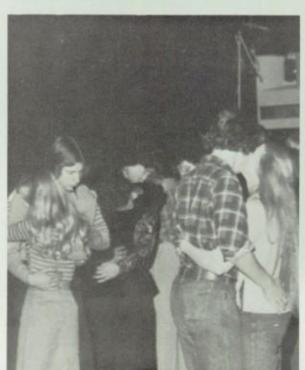

Halftime entertainment included the judging of the class floats, and the announcement of the winning class. Juniors won the overall award with victories in the float and skit categories. Seniors won the spirit award for their participation in "Senior Day."

The announcement of Gail Peterson and Lynn Sjolander as Homecoming Queen and King proved to be the highlight of the evening. The festivities ended with the release of helium balloons sold by the Varsity Cheerleaders.

After an enthusiastic game ending with a score of 14-6 in favor of Inglemoor, the festivities ended, but the spirit remained.

Dancing On Deck

Dances are always well received here at J.H.S., and those this year were no exception.

The Junior Cabinet started the ball rolling early in the year with a successful casual dance with "Star."

The Homecoming dance was held in November with two bands performing, "Brat" and "Storm." King and Queen, Lynn Sjolander and Gail Peterson reigned over the evening.

The "Winter Fantasy Tolo" was January 14th, with "Reflections" playing in the upstairs gym.

The highlight for the seniors was the Senior Ball held May 19th at the Eagles Hippodrome with "Clean Slate."

The dances proved to be good fund raisers for the different classes, and were well supported by large enthusiastic turnouts.

New faces on the Juanita cheerleading staff provided motivation for the spirit of the Junior Varsity. The six girls who were chosen as J.V. Cheerleaders are Melissa Arrington, Nancy Obaitek, Julie Scherrer, Tammy Shelts, Judi Smith and Jeanine Willis.

These girls, through the help of advisor Mr. Jerry Breymeyer as well as the Varsity Cheer Staff were able to promote school spirit, and provide leadership at J.V. and some Sophomore games.

The J.V. Cheerleaders were elected in early October by a limited student and faculty committee, and through the leadership shown from head cheerleader Julie Scherrer, they exceeded Mr. Breymeyers' expectations.

Cheerleaders Promote Spirit Abroad

The Varsity Cheerleaders, in the opinion of advisor Mr. Jerry Breymeyer, have been one of Juanita's most outstanding squads. This is partly due to their being a close knit group who get along well.

The eight cheerleaders were Leanne Bond, Kathy Gemmill, Kathy Obaitek, Kim Philpott. Kelly Gallagher, Patty Weymer, Terri Mann, and Tami Peterson. Also, a big help to the squad and a great supporter of school spirit was Jack Day. Jack has been Juanita's Yell King for the past two years. Patty Weymer was the Head Cheerleader. She was chosen through a vote by the squad.

The girls practiced three times each week during sixth period. They held after school practices every Thursday for two hours. The group attended a special camp to learn basic cheers, jumps, stunts and how to promote school spirit. They were the first of the squads to win the Superior Spirit Award of the week. The squad's goals were to promote school spirit and to provide leadership at games. This was accomplsihed and now that this year is done in the words of Mr. Breymeyer, "We should ALL be rooting for the Rebels."

Drill Team Entertains Passengers

Intricate patterns, coordinated movements and smiling faces are all part of a restored addition to the Juanita's half-time entertainment. Through the efforts of many girls the Drill Team became a dedicated part of the school's activities.

Advised by Miss Diana Hanada and Ms. Mary Kay Curren the team was able to raise money and pay for their own uniforms. No school funding was provided, therefore in order to form a team the girls had to finance their own uniforms. They did this by holding bake sales, the balance being paid for by themselves.

Susan Johnston and Tina Hansen led the 26 girls of the team through many long practices. After devising routines to popular music the girls performed at half-time basketball games and were in the Kirkland Show Festival Parade bringing forth the best performance they could.

Superstition Prevails Opening Night

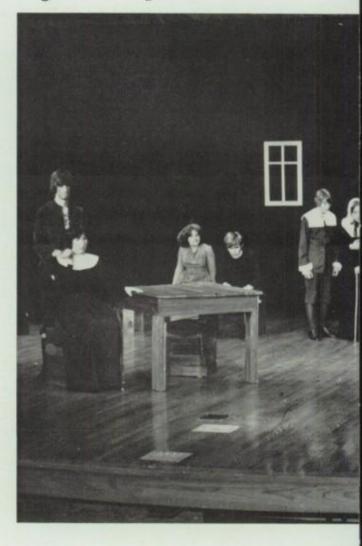

In a story fraught with witchcraft and horror a group of students at Juanita experienced the trauma of the 17th Century Salem Witch Trials.

Despite early casting problems, the Juanita play group pulled together a belated but satisfying portrayal of the trials.

Heading the cast of 20 were Tammie Rabbitt, Hank Palmer and Shelly Davis. They portrayed Abigail Williams, John Proctor and Elizabeth Proctor.

The play was directed by L.A. teacher Ms. Ruth Davis. Ms. Davis was extremely helpful in guiding the cast through the rough spots.

This production was the first serious drama in the history of Juanita broadening the participants dramatic experiences.

Shipboard Celebration Roar's

The 1978 Mardi-Fasch-Ca festivities moved into full swing on May 14 with an assembly depicting dances from the twenties up through the present. Featured were Mr. and Mrs. Curtis doing a medley of twenties dance numbers. In the evening the carnival began with the theme; The Roaring Twenties.

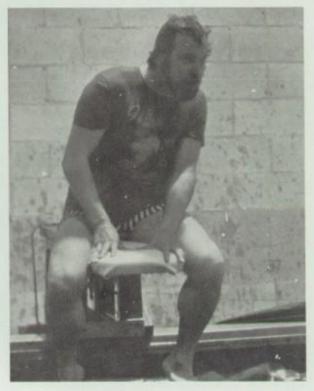

A main attraction was the foreign fooods restaurant which featured a student variety show.

Frau Clauson's leadership in the activities allowed the carnival to proceed with a minimal of chaos. Booths from various groups and activities brought in \$1,830.00, this combined with entrance fees for a grand total of \$3,500.00.

The height of the evening was the long awaited raffle of the color television set and other prizes. Among the many winners was Matt Lorenz who won the TV.

In the tradition of Mardi-Fasch-Ca the carnival ended with a dance by the group Faze.

THE SEA

The salty waves come rolling in.

The land and sea come close as kin.

The winds that strongly blow,

brings in the foggy misty glow.

In the distance you can hear a horn giving a message to ships of warn.

The salty wave roll back to sea. Leaving a part of itself and me.

> Mark Callaway 1970

He was conceived in love and born with beauty.

To his parents he gave joy, love and the pride of being their Son.

To his brothers the love that bound them together.

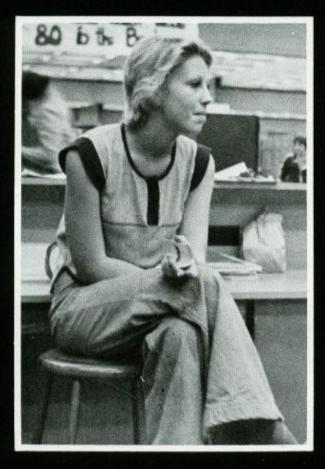

To his friends he gave loyalty, help and understanding.

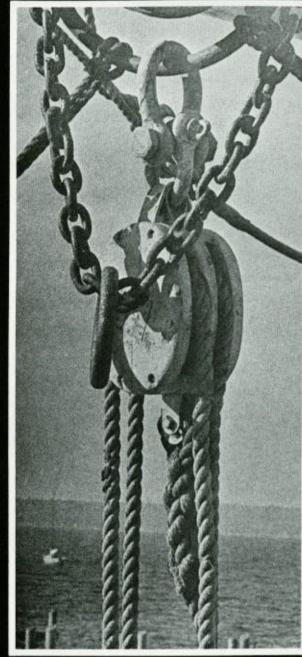

In death as in life he gave - His beautiful brown eyes, so someone else could see and his flawless soft skin to relieve another's scars and pain.

Our sorrow is great and our loss is deep, but Jeff left each of us something of himself to have all our lives, the memory of him will never die.

RIGGINGS

Juanita Track Sails Before The Wind

The track team was unusually small this year with only 41 members. With so few participants, many had to compete in more than the usual two or three events.

Mr. Jock McLaughlin, the head coach for the team, pointed out some of the outstanding seniors as being Gordy Dorning in the mile. Steve Lantz in the two mile and John Hamilton in the two mile. Lynne Cameron one of the few girls on the team, was an excellent long distance runner.

Mr. Doug Steensland, a track coach for twelve years, was in charge of the jumps and pole vaulting while Mr. Carl Weser coached the long distance runners.

The team worked well together and the season proved worth the effort of those who turned out.

Spirit Sighted In Girl's Soccer Fleet

The increasing popularity of soccer was shown by our Girls' Soccer Team this year. Thirty-seven girls turned out to make up a strong, enthusiastic team. The team is young with one ninth grader, 15 sophomores, 10 juniors and six seniors.

The team continued to meet the past goals of unification and inspiration. Second year Coach Glenn Greer indicated his thoughts of the team's attitude when he stated that it had been one of his most pleasurable coaching experiences. For the first year we had a Junior Varsity coach, Ms. Carol Duke.

The sensational team spirit came from last year's returnees including two All Star Kingco Conference players junior Goalie Tracy Liday and senior Heather Vroegop. Ninth grader Teresa Lund and other young, new talent added to the inspiration. Coach Greer commented on the tremendous blend of talents in this year's large program.

The team met tough competition head on and kept a positive attitude even while they were down, never giving up. This attitude and the exceptional talent provided another winning Girls' Soccer Team.

Boy's Soccer Spirit In Full Sail

Soccer is a competitive and exciting sport that requires a close knit and well balanced team to achieve their goals.

Varsity coach, Mr. Don Beck considered his young team-predominantly juniors to be well balanced, and they didn't let him down. The team began the tough King Co competition slowly losing to Interlake and Newport. However, outside of King Co they performed well, beating Snohomish, Renton and Shoreline. Goalie Steve Keller along with Jeff Halverson and Steve Lidicker showed some good defending ability.

There were three ninth graders playing soccer for Juanita this year. Eugene Barrow was the only freshman on the Varsity team. David Macke and John Bourque played for the Junior Varsity. Their achievement was quite an accomplishment for ninth graders.

Mr. Jim Kjolso, Junior Varsity Coach had a team of 25, this along with the fact that most of the varsity players were juniors makes the outlook for next year's teams even greater.

Softball Team Sails Smoothly

Juanita's Girls softball team entered its sixth season as a newly recognized KingCo sport. In the past a lack of teams prohibited the approval of becoming a league sport by the KingCo Athletic Directors.

The Girl's softball team had seven returning starters; they were Tammy Ravert-catcher, Vicki Burmeister-1st base, Brenda Naish-2nd base, Mary Gabriel-3rd base, Dana Rasmussen-pitcher, Carol Weyland-outfield, and Cynthia Jackson-pitcher/outfield. Coach Jerry Breymeyer wished to have the best team possible therefore he recruited two freshmen from Finn Hill Junior High. Lisa Fosse was one of the best infielders while Karla Jagla, the other freshman, became one of the best outfielders. Two other notable players were a couple of sophomore girls with great throwing arms, Krista Olson and Sandi Nelson, both outfielders.

The Rebels opened League play by crunching the Kangaroos in a 6-1 victory. The girls then went on to defeat Mercer Island in a very close game. In the bottom of the seventh inning, the girls came up with a tripleplay to end the game 10-8 in favor of the Rebels.

"We're going to go all the way!" mirrored the positive attitude of Coach Breymeyer and of all the players.

The successful combination of teamwork and good playing added up to a rewarding season for the Juanita Varsity Baseball team. A 6-0 pre-season record included two wins over Mount Vernon 14-1 and 10-1, and a 5-6 victory over Shoreline Community College. The Rebels opened up their league season with a 3-0 victory over Issaquah. They then suffered a 1-4 loss to Sammamish, but came back for a 3-0 win over Inglemoore and a 6-1 victory over Lake Washington. Coach Gary Groenen, a six year Varsity Veteran, was pleased with the team's performance and hopeful of a playoff position.

The Junior Varsity started strong with a 4-2 victory over Issaquah and stayed that way as they followed it up with a 7-2 win over Inglemoor. The Rebels went on to beat Sammamish 7-3, in a game ending with a diving catch by Centerfielder Dave Orth. Highlighting the season were the games when the Rebels shut out Lake Washington 3-0, and Newport 1-0. Coaching the Junior Varsity was Mr. Ken Broche, he was assisted by Mr. Don Martelli.

The boys tennis team volleyed into action this year with a season of 10 league games. The competition opened with matches against Redmond, Interlake and Bellevue. The net men scored 8-1 against Redmond to record their first victory.

One of the outstanding players was Arnie Hall who played first singles in the opening matches. During the Redmond match he scored 6-0, 6-1; Interlake, 3-6, 6-3, 6-1; and Issaquah, 6-0, 6-1; to tally 11 points in the double set victories, and 8 points for the triple set win.

Coach Brion Bloomberg, a 6 year veteran coach of boys tennis, stated that, "This year's team was by far one of the strongest."

First singles were aided by Jim Vaughn, Mark Harrington and Brian Cumming; who played second, third, and fourth singles respectively. Jim Vaughn and Mark Harrington, playing first doubles won three and lost one during the first four matches.

The season extended through the first of May with tournament action the later part of the same month. The team effort was summed up by Arnie Hall; "Everybody had great spirit and put all their effort into both practice and the matches; plus our coach was excellent."

C.C. Crew Logs 10,000 Mile Record

A crew of 19 logged 10,000 cross country miles this year. The team worked hard to finish eighth in the conference race. Despite injuries and inexperience, their win-loss record was 5-6, making it the best season in four years.

Coach Karl Weiser has navigated cross country for three years. The team feels that he is an excellent and dedicated coach. He actually trains with the team, which helps promote spirit.

In cross country, five people from each team compete in an event. The scores are determined by totaling the finishing place of each of the five members. When these are totaled, the team with the lowest score wins.

This year marked the first season for a full girls' team in league competition at Juanita. Six girls turned out but not all of them could run in each event. Therefore, no team points could be scored. Though no points were scored, the girls still ran faithfully in each race.

The team set a conference record for the most total miles run in practices by any team. The boys ran 650 miles each, and the girls ran 400 miles each. Steve Lantz placed seventh in the 2.5 mile conference race with a time of 12.57. Caryn Calvert placed eleventh in the girls' two-mile conference race with a time of 12.39. The outstanding match of the season was against Interlake, which Juanita won 27-28.

Several members were picked by their teammates for special awards. The girls selected Lynne Cameron as their captain and Kris Baker for the most inspirational award. For the boys, Steve Lantz was chosen captain and Dan Lovitt as most inspirational.

Coach Weiser looks ahead to next year when most of the team will return with more experience.

Iuanita Rings Liberty's Bell

The last football game of the season was a real Rebel Rouser. The Football team came out victorious in a non-conference scrabble with Liberty. For team members and fans alike the 38-6 score was indeed the highlight of the season.

The teams season was 1-9, but the Coach felt that the team performed better than their record showed. Although they had only one victory, the team had a positive attitude. They were ready to play and give their best effort during every game. Craig Farley rushed for just over one-thousand yards this season, and came out second in Kingco, in rushing.

In both the Lake Washington and Bothell games, the team was close to victory until the last second.

The team improved constantly and put out a great deal of effort this season. Overlooking their season record, the team did a good job this year.

Butterfly, backstroke, freestyle, these terms belong to one sport only. While many consider swimming good exercise or just plain fun, a dedicated few girls cared enough to work hard and put Juanita's Girls' Swim Team in the standings. Ranked fourth out of eight in one of the toughest conferences in the state, the team ended the season with a 5-3 overall win-loss record. They began the season with a 103-62 non-conference win over Marysville. Their conference record was 4-3, suffering losses to Mercer Island, Newport and Sammamish early in the season.

With twenty-three members swimming and three diving the team was well set-up to break records. In conference action three school records were broken, the 200 yd. medley relay record was bettered by .005 minutes for a time of 2.011 minutes. Danette Ross broke the old record for the 200 yd. freestyle with her time of 2.02 minutes. An outstanding ninth grader Kelly Gates with a time of 2.189 minutes set a record for the 200 yd. individual medley.

Eight members qualified for state competition. Kelly Gates, who Coach George Spear stated is "overall one of the best in the state" qualified for the 200 yd. freestyle, 200 yd. individual medley, 500 yd. freestyle, 100 yd. backstroke, 100 yd. butterfly and both the 200 yd. medley and 400 yd. freestyle relays. Danette Ross competed in the 200 yd. freestyle, 200 yd. individual medley, 100 yd. butterfly, 500 yd. freestyle and both relays. Team captain Kathy Hutchinson qualified for the 200 yd. individual medley, 100 yd. breaststroke and the 200 yd. medley relay, and Michelle Pakkala qualified for the 200 yd. medley relay. Laura Baker competed in the 400 yd. freestyle relay. Seri Sedlicek and Sigrid Strong swan in both the 200 yd. medley and 400 yd. freestyle relays.

"Our Spear-it Never Quits!" The team's banner reflects both the philosophy of the team and their appreciation for their coach. Coach George Spear is well respected by the team for his efforts that have placed Juanita among the top ten teams in Washington. Aided by an "outstanding" manager Kelly Taylor Coach Spear completed a satisfying third season of coaching. Losing only one letterperson to graduation, and seeing a promising amount of talent coming up from the Junior Highs, Coach Spear stated that next year's prospects are even "better than last."

Boy's Swimming: A Splashing Success

The Boy's Varsity Swim Team consisted of a precise balance of both individual stars and team depth. First place was generally provided by swimmers Sean Bailey, Guy Foster, Jamie Mueller, and diver Terry Forrey. Guy Foster and Terry Forrey participated in the Junior Nationals. Sean Bailey, who won the title of Junior National Champion, is still number one in the Northwest.

Guaranteed team victories were helped by swimmers Brian Pakkala and team captain Brian Cornay. Diver Marty Ruscha also pulled in points for the team.

Fifteen members strong the team works out twice daily, six days a week. They average an eight mile workout per day.

The team made many accomplishments this year. They were one of the top ten in KingCo, and one of the top four in State.

Their coach, Mr. Ron Koch is in his first year of association with the Juanita team. He also acts as the pool manager.

The groups success as a team is due to practice, the coach, and the thrill of competition. Roll all three of these characteristics together and you have the Juanita Boy's Varsity Swim Team.

Tennis Team Volleys For Wins

Rebels can be proud of their Girls' Tennis Team. The team put forth a mighty effort all year which became evident as the team downed our "crosstown rivals" Lake Washington, with an overall score of 4-3. Coach Karla Hanson recognized the potential of the team. She had 10 returning Varsity players and an experienced J.V. to work with.

Nine of the ten varsity positions were held by seniors. The other position was held by Junior Kathy Wagenman. Kathy played 1st singles for most of the season. Tammy Ravert played 2nd singles, while Vicki Rider played 3rd & 4th singles. Mary Gabriel played 4th singles at the outset of the season but gradually moved her way up to 1st varsity singles.

Mary Gabriel represented Juanita at the KingCo Tennis Tournament which was held November 2nd and 4th at Robinswood Municipal Courts. Mary was ousted in the semi-finals by Rhonda Glass of Interlake. Coach Hanson said that this was the furthest the team has ever gone in King Co. She was proud of both Mary and the doubles team of Marilyn Jones and Angela Smith who were defeated in a match against Newport. Though both players showed exceptional talent Newport's experience took precedence.

The doubles teams were a powerful force this year. 1st, 2nd, and 3rd doubles were all experienced seniors. Our 1st doubles team was made up of Angela Smith and Cindy Groesbeck. The combination of the two made for great entertainment. While Angela played aggressively at the net, Cindy was a quick and steady backcourt player. The second varsity doubles consisted of Kris Hedeen and Marianne Unrue while third doubles was held by Sarah Moses and Gail Peterson.

Coach Hanson praised the J.V. team. Babette Millet and Barbara McLaughlin were two in whom the coach saw much potential.

This year's team had depth and was very talented. Juanita ranked sixth out of eleven in the KingCo standings, winning six out of eleven matches.

Volleyball Team Sets New Bearings

Two returning volleyball players and a large, enthusiastic turnout made it possible for a varsity team and a junior varsity team, that we haven't had in recent years.

Mr. Tim Crowder, coaching for his first year led the J.V. team while Miss Kathy Michaelis, coaching for her second year, led the varsity.

The varsity win-loss record was 2-9. The team progressed well under the leadership of team captain Meg Henkins. As Linda Hinkle expressed it, "The team had lots of fun and we worked hard."

With only three letterpersons being lost to graduation, Coach Michaelis said, "We're improving and have a positive outlook for next year."

Dana Rasmussen played consistently and two sophomores, Krista Olson and Michele Day, gave outstanding performances for the varsity team.

The junior varsity team consisted mostly of German exchange students. They were given the chance to take part in competitive volleyball which they couldn't do in Germany. The J.V. win-loss record was 1-10. Team captain Delloris Diessen said, "Most of the games were close and we improved through the year."

According to Coach Michaelis the varsity's best game was against Sammamish although they lost. She said, "Sammamish was one of the best teams in the league and we gave them a run for their money." The two games in which Juanita had solid wins were against Bothell and Liberty.

Because of outstanding contributions, Terry Powers was voted most inspirational and Dana Rasmussen most valuable player.

Wrestlers Grapple For Wins

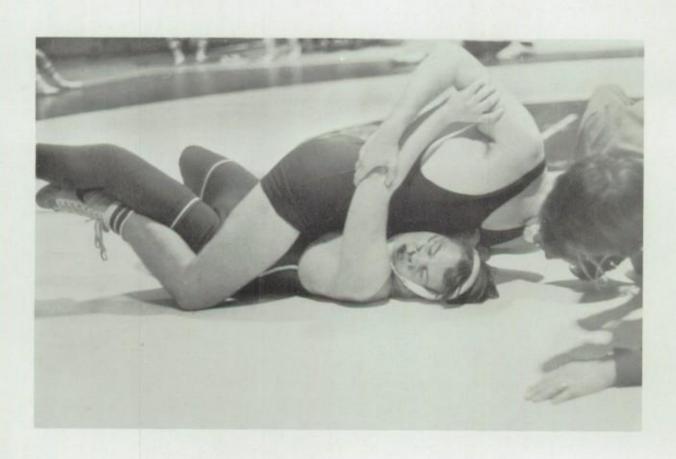

"We've got a very, very young team this year, and we're going to take our lumps," said Doug Chapple, "but everything is geared down the road, and we're going to keep the young kids around so we'll have a nucleus for the future."

"I'm also interested in the seniors this year," added coach Gary Groenen. "We have some outstanding young men on our team. They are seniors Hung Nguyen, wrestling at 101 pounds, Chris Theison (129 lbs), Mike Ralph (141 lbs), Darryl Groenen (158 lbs), Jay Greenwood (168 lbs), and Ted Jagla (unlimited). These are just a few of the outstanding athletes on the team."

This year the sophomore team was one of the largest yet. That leaves the staff of three coaches, Doug Chapple, Harold Bergh, and Gary Groenen, a good sized team to work with in the future.

Spirit Buoys Girls Team

Although lacking in team members, the girls Basketball team overcame their deficit and began the season ready to play.

Coming out of their first game opposite Inglemoor with a 37-33 win, they gave second year state champs Sammamish, a run for their money. They then proceeded to demolish cross town rival Lake Washington in a 67-40 match.

Coached by Mr. Dick Bjerke who was assisted by Ms. Cathy Michaelis, the team had only members enough for a Varsity team. Those ten members showed themselves to be a versatile, close-knit unit willing to make sacrifices to reach the top.

Despite the lack of numbers, the team came back to complete a fine season.

Gymnasts Spring To Success

The events of this year's girl's gymnastics season helped to make Coach Jefri Donovan's seventh year of coaching a memorable one.

The team was very successful due to tremendous ability, lots of spirit; and a closeness among the girls. Also, Coach Donovan had a positive attitude towards the team and always encouraged the girls to do their best.

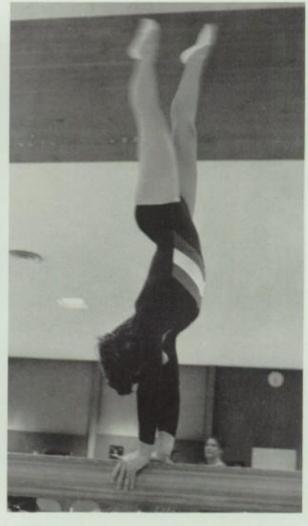

The team ranked 1st place in King-Co and were ranked in the top ten in State.

The seniors on the team were Julie Harrison, Kim Jagla, Dauphyne Yocom, Ginette Ahron, Sharon O'Brien, Diane Cloutier, and Betty Bement. All of these girls plus two juniors, Shelly Anderson and Leanne Gibson, showed tremendous ability throughout all areas of competition.

The team has been a source of pride for Juanita this year and holds much promise for next year.

Rebels Sail To Victory

The Basketball Team showed their ability to win by opening the season with a 66-52 victory in a non-league scrabble with Franklin. After their first league competition, a 57-53 win over Lake Washington, the Rebels suffered a loss to Newport.

One of the many highlights was early in the season, when the Reb's stomped on Evergreen for a 102-60 score and a new school record for the most points scored in a single game. Another highlight was the Sammamish game, when the Rebels. down by 21 points, staged a comeback led by seniors Grant Cussac and Craig Delles. With only five minutes remaining in the fourth quarter, they proceeded to pass the Totems and win the game with a 56-53 score.

Juanita had only three returning seniors: Grant Cussac, Ted Parry and Craig Delles to guide the younger members of the team.

Much of the team's success was due to the valiant coaching efforts of Mr. Bob Anderson. Coach Anderson has been coaching the Juanita team for seven years. He is respected for his hard work and dedication.

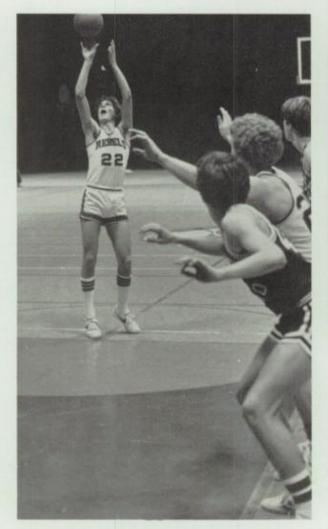

Reb's Tally Up Wins

In the beginning, no one thought they could do it, but as the Junior Varsity Basketball team began to tally up the victories, the realization swept through the school that we had a winning team on our hands. First it was a 70-48 win over Franklin, then onto a victory over Issaquah. The Rebels then added a 51-47 win over Redmond to the list.

The Junior Varsity team was coached by Mr. Rick Zydek, who was assisted by Mr. Ken Broches.

Sophomores Display Their Worth

The Sophomore Basketball team began their season with a rip-roaring league win over Mercer Island. Another win, this time over Inglemoore, and they were on their way winning 4 out of their first five league games.

A high-light of the season was a victory over Bothell, when the Rebels came down for a 67-60 score.

The sophomores were coached by a newcomer to the basketball staff, Mr. Al Williams.

The 10 sophomores made a good showing for their first year of high school competition.

Seniors Graduate To Officer Status

From T-shirts to the Senior Ball, this years seniors did it all!

During Homecoming on Senior Spirit Day, the class showed their feelings by coming to school dressed in their pajamas. They then proceeded to march around the school yelling "S-E-N-I-O-R-S, Seniors!" and other class yells. For their effort and enthusiasm, they won the spirit contest.

To raise money for the Senior Party and Ball, the class of '78 sold Christmas trees. The Senior Ball was held at the Eagles' Hippodrome in Seattle, May 19.

And now, they're out to sea, on their own, to do as they please.

The Staff presented a questionnaire consisting of 15 categories for both male and female, to the seniors. One of the categories was a "Students' Award" given to the male and female that were most involved in school life and who had high expectations and the determination to make the school live up to those goals. Dan Brooks and Sarah Moses were chosen for this category. The winners of the remaining categories were well deserving of the awards they received. The results of the questionnaire are below.

Staff Mans Lighthouse

The relaxed atmosphere of Juanita is due both to the students and to a group of special people known as the Staff.

Juanita's staff has managed to create an atmosphere conducive to learning, not because the student has to learn but because he wants to learn and finds it easier to learn.

Through their eagerness to help and their friendliness, the school is not only a good place to study but a nice place to be. Their concern is evident in the part they play in student life.

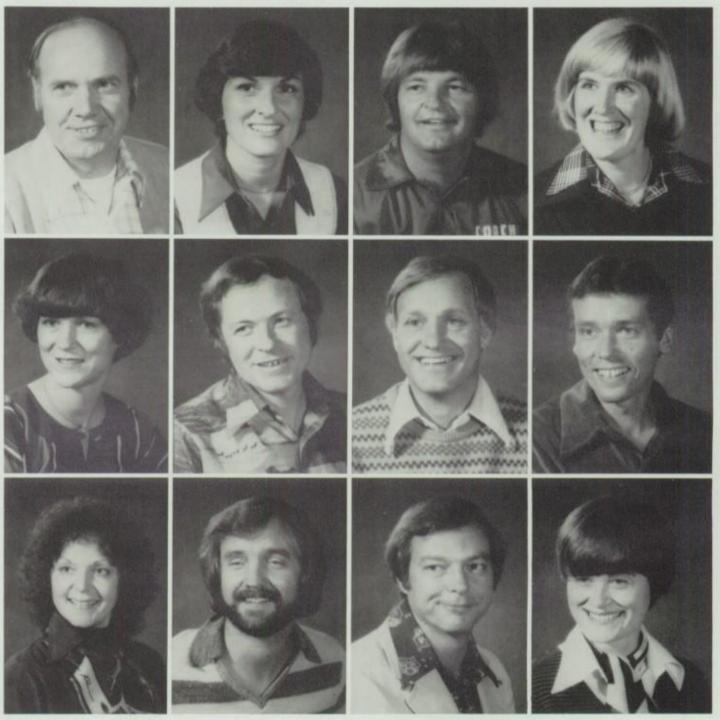

The staff is unique, they have to be. The "Open concept" system is very different from traditional schools and it takes a special kind of person to work here. Most of the staff loves it here and would not trade it for a traditional approach.

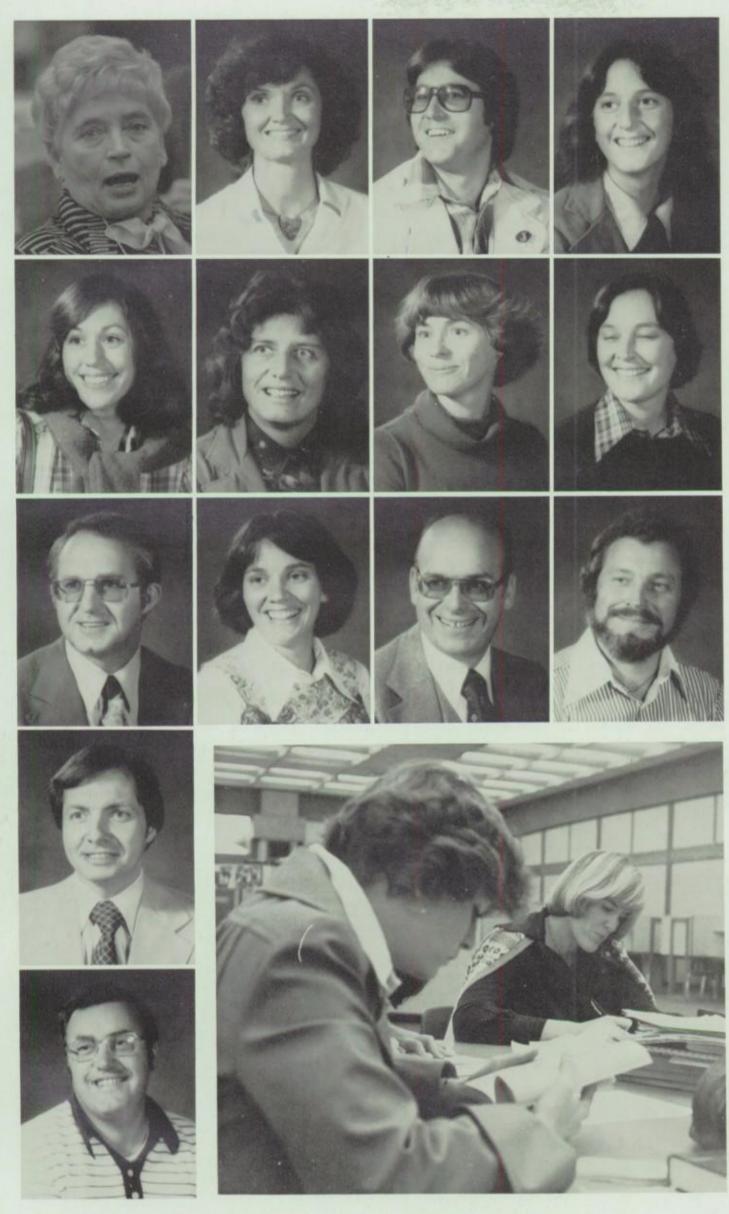

The faculty possesses many fine qualities, one of which being a strong adaptability to change. Excellent examples were the sudden position changes of Mr. Vic Ferguson and Ms. Marion Evashevski. When former building leader Dr. James Hager was given a position on the school board, to fill the vacancy Mr. Ferguson became building leader and Ms. Evashevski took over Mr. Ferguson's position. Because of our fine faculty, Juanita has greatly prospered.
